Edgerton's Tobacco Heritage Days parade is a fun, entertaining and family-oriented event. It is not meant as a forum for individuals or groups wishing to make political statements. The committee will withdraw any unit from participation in the parade for which it deems objectionable because of any graphic or vocal representation.

NO items will be thrown from units, including candy and water. We suggest someone walk alongside your unit to pass out candy. For safety sake – no candy should be left in the streets for children to run out after!! Violators will be required to pay a deposit before attending future parades.

NO reckless or fast driving. NO alcoholic beverages while in the parade route.

Those with horses - you are responsible for clean up at the line-up location and along the route.

Thank you in advance for your interest and cooperation!
